

# Pacific Test Equipment

Your experts in test and measurement solutions

Welcome to Pacific Test Equipment's first Newsletter.

We are proud to announce our appointment as Sonel's exclusive Australian distributor.

Sonel test instruments are truly the **"smarter alternative"** offering advanced features, robust construction, reliability and excellent value for money.

Pacific Test Equipment's exclusivity offers many benefits to users including availability either direct from our Sydney or Melbourne branches or from our distributors in Queensland, Western Australia, Northern Territory and Tasmania.

Sonel products are fully supported in Australia by Pacific Test Equipment's calibration and service laboratory where your instruments are cared for by Sonel trained engineers.

We hope you find this information useful and will appreciate your feedback

Kind regards, Keith Bensley

**Sonel - The Smarter Alternative!**

## Compact 5kV Insulation Tester

### SONEL MIC-5001

- Test voltages from 50 to 5000V
- Insulation Resistance to 5TΩ
- Leakage current measurement
- DAR, PI and Ramp Testing
- Lightweight - 1Kg

- Cat 4, 600V and IP65 weatherproof

## Dual Purpose Micro-Ohmmeter SONEL MMR-650

- 10Amp test current
- Measurements from  $0.1\mu\Omega$  to  $2000\Omega$
- Discharge and Demagnetisation for winding resistance testing
- Full colour touch screen control
- Li-ion Battery for up to 800 10 Amp tests

## SPECIAL END OF FINANCIAL YEAR OFFER

### CMP-2000 Clamp Meter 57mm Diameter

- Cat 4 600V
- Large 57mm Jaws
- Current to 1500A AC 2000A DC
- Voltage to 750V AC 1000V DC
- Resistance to  $60M\Omega$
- Capacitance to 6.6mF
- Temperature to  $1000^{\circ}C$

**\$225.00 ex GST**

Offer valid until 30th June 2017
