

Pacific Test Equipment

Your experts in test and measurement solutions

LATEST NEWS : I have been busy in June travelling in Europe meeting with suppliers and collecting all the latest news on Test Equipment around the Globe. Andrew has also been out & about with a successful trip to Darwin with ESS.

As we draw towards the end of another Financial Year the team are still busy fulfilling orders and helping our customers. Our EOFY offer is still running until the 30th June.

We are also running an exciting Facebook competition to win a Sonel Multi-Meter - simply like us on Facebook to enter.

If you need any help or advice please do not hesitate to contact us.

Kind regards, Keith Bensley

Sonel - The Smarter Alternative!

LATEST PRODUCT NEWS

OFFERS AND PROMOTIONS THIS MONTH

Like us on **facebook**
for your chance to win a
Sonel Multi-Meter,
valued at **\$279 ex GST**

Entries close 30th June 2017, entries will
be selected at random.

A red and black digital multimeter (DMM) is shown on the right side of the promotional graphic. The device has a large LCD display at the top showing '00000'. Below the display are several function buttons: 'STORAGE', 'MODE', 'REL', 'HOLD', 'RANGE', 'AC/DC', 'OFF', 'ON', 'HOLD', and 'OFF'. A large rotary selector dial is in the center, with various measurement modes indicated around it: 'OFF', 'V_{DC}', 'V_{AC}', 'mA', 'A', 'Ω', 'F', 'C', 'Temp'. At the bottom, there are four input ports: two red ports labeled 'VΩmA' and 'A', and two black ports labeled 'COM' and 'TEMP'. The background of the graphic is a light yellow with abstract circular patterns.
